Subject

What to do!

Language Arts

Oral Biography Presentations!

- Join in on the Zoom meetings to watch the presentations
- Turn in Self-reflection via Seesaw
- Turn in bibliography via Seesaw
- Try to compliment at least 3 people per day

Religion

These religion tasks should be completed before the end of the day on Thursday.

Task #1: Read through the Stations of the Cross document slowly. Think about each part and what it means in your life.

[StationsOfCrossReflections](#)

Task #2: Do some self-reflection by thinking about these questions:

- Did you keep your promises of Prayer, Almsgiving, and Fasting?
- What did you learn about yourself?
- What actions can you take to follow in the footsteps of Jesus during Holy Week and beyond?

*Note: You **don't need to** write down your answers, but you should **take at least 30 minutes to complete these two tasks**. It would be best to take it slow, and really think about these questions. You can talk to your parents as you reflect.*

Reading

- Direction/explanation video for today's reading can be found on Ms. Corrigan's webpage <https://reading.holyrosaryws.org/category/4th-reading/>

- Read the **How This Little Goldfish Can Cause Big Trouble** article in the 3/16/20 edition of *Scholastic News* which was sent home with the last packet. *If you can't find the paper magazine, the online edition can be found <https://sn4.scholastic.com/> (PW: HRSgators4142)*

at

- Complete the cause/effect worksheet for this article only (title: "Causing Trouble"). <https://reading.holyrosaryws.org/wp-content/uploads/sites/33/2020/04/SN4-031620-CausingTrouble.pdf> Make sure written work is carefully completed: use complete sentences, capitals, periods and correct spelling. ****We will work with the remaining articles in the magazine tomorrow.**
- Take a picture of finished worksheet and submit via Seesaw by Thursday.

Math

- Spend 15 minutes on an assigned Freckle math assignment of your choice
- Spend 5-10 minutes on XtraMath
- Use the Fractions app to review equivalent fractions.
